DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

The first floor of this 3 story, flat roofed building is a shop front. Located in mid-block, of painted brick, the right side wall is buttressed by a wall faced with rust colored brick.

The entrance recess, on the right has one obtusely angled wall which incorporates the shop entrance. The door is of wood and glass, with an "x" panel below and 9 panes above. The door of the upper floors also of wood, has a single large pane of glass. An arched canvas canopy stretches out from the entrance across the side walk to the curb. The shop window is a single pane of glass over a low base, A wood sign board is over the shop.

There is a tripartite window on the second and third floors. Each panel is a single pane of glass with the center one being wider. The sills and lintels are of iron. Rough plywood boards obscure the lower portion of the second floor window. A recessed rectangle appears above the third floor window. The metal cornice is bracketed and dentiled.
